

Become a Volunteer Coach!

You Make the Difference

Without mentorship, positive youth development just doesn't happen!

At First Tee – Louisville, we are serious about having fun! We also believe that meaningful, quality relationships are essential to inspire young people to look to the future, set goals, and unlock their potential!

“Young people don't care what you know until they know that you care.”

Everyone is Welcome

Golf is at our core, but you don't need to be a professional instructor or scratch player to make a difference. If you have interest in golf and positively impacting the lives of youth, there are many ways to get involved!

To Volunteer

Call our Player Development Coordinator Colton Gilmet at 502-772-9494 or reach out via firstteelouisville.org/become-volunteer/

Training

All coaches complete a background check and SafeSport Training. We will offer coach trainings several coaches trainings throughout the year as well!
